Dear Parent/Carer,

Nursery Admissions for September 2018

Thank you for requesting an extended hours place for your child at our nursery from September 2018. In order for school to receive funding for this place we need to submit an eligibility code to the authority. Please can you apply for your code and provide us with it as soon as possible. The deadline for applying for a code to use in September is 31st August 2018.

Parents can apply for 30 hours free childcare at www.childcarechoices.gov.uk.
 (More information available at the above website).

Our admission requirements mean that all parents wishing to access 30 hours must provide us with an eligibility code. This will ensure that the school receives the relevant funding to support your child's early education.

Please be aware that the codes need to be renewed every three months and if changes in your circumstances means that you are no longer eligible for the 30 hours funding your nursery hours will be reduced.

Once you have received your code please complete the form below and return it to school as soon as possible.

Kind regards,

Emma Hermiston
 Nursery Teacher
