

<p style="text-align: center;">English</p> <p>In Shared Reading we are continuing to work on poetry but this time we are focusing on performing the poetry using facial expression, gestures and voice. Then moving onto The Adventures of Odysseus to practise our active reading strategies. We are writing the chapters for the myth we have created. We will then move onto writing our own Greek inspired poetry. Finally, writing a play script based on the book The Adventures of Odysseus.</p>	<p style="text-align: center;">Maths</p> <p>In maths, we are going to focus on linking our fractions knowledge with decimals and percentages: rounding decimals and recognising fractions as decimals and percent. We will then move onto measuring and drawing angles and finding the missing angles on a straight line and angles around a point.</p>	<p>Summer Term 2</p> <p>Class - 5</p> <p>It's All Greek To Me!</p> 	<p style="text-align: center;">Topic</p> <p>Our topic this term is <i>Ancient Greece</i>. We will be looking into the daily life of the Greeks and how it is different or similar to modern day; paying particular attention to the Olympics and theatres as well as pottery.</p>	<p style="text-align: center;">Science</p> <p>We will be continuing our investigations into forces; particularly looking at parachutes, levers, friction, and water resistance. There will also a trip to Woolsthorpe Manor on Wednesday 3rd July.</p>
<p style="text-align: center;">Art and D&T</p> <p>This term the children will taste typical Greek foods before deciding on their own three course Greek meal comprising of a salad starter, filo parcels for main course and a Greek dessert. If the children want to take home the food they have made, they will be asked to bring some small container.</p>	<p style="text-align: center;">Music</p> <p>Pupils will be continuing to learn about triple time and the pentatonic scale using the Ancient Greeks as inspiration. Pupils will be able to develop their own rhythms using their knowledge and perform these.</p>	<p style="text-align: center;">Computing</p> <p>Pupils will be learning about databases. They will be learning the terminology for various aspects and then making their own databases that they will be able to search to answer enquiries.</p>	<p style="text-align: center;">RE</p> <p>Pupils will be focusing on the question: 'What did Jesus do to save human beings?' This will involve delving into the events leading up to his crucifixion.</p>	<p style="text-align: center;">French</p> <p>We are learning the vocabulary for transport.</p>
			<p style="text-align: center;">PSHE</p> <p>This term we will be completing two units: Staying Healthy and Money Matters. These units will tie in with DT as the pupils will recognise the importance of a balanced diet, how to keep a healthy mind and managing risks. The money unit will discuss different ways of managing and saving money. Pupils will also get the opportunity to manage a budget linked to their DT.</p>	<p style="text-align: center;">PE</p> <p>This term PE will focus on Athletics skills to link with our topic and Sports Day on 5th July.</p>
