

English

This half term in English we will be learning about how to open sentences in lots of different ways. We will be including lots of description of settings as well. We will continue to learn about adjectives in noun phrases and extend our already growing vocabulary.

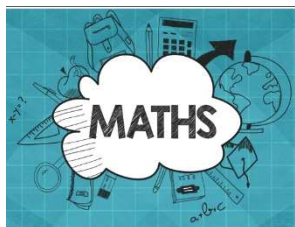

In reading we will be continuing to practise segmenting and blending ready for the Phonics Screen and being active readers in a range of different genres.

Art and D&T

During the half term we will be making our own sculptures out of recycled materials, clay and natural materials. We will study the work of famous artists and include their ideas and concepts in our own designs.

Maths

In Mathematics we will learn how to solve problems using multiplication and division. We will continue counting in 2's, 5's and 10's and shape. Throughout the half term we will also be using real life problems to help us to relate Mathematics to real life.

Music

This half term the children will be spending time

Spring term 2

Class - 1

Topic:

Enchanted Planet Earth

Class Book:

The Tin Forest Tidy Up!

Computing

Children will identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

Topic

During the term we will be studying the different parts of our local environment and how we can look after it. The children will be going on a woodland walk in their local area, learning about plants, recycling and materials and how we can take care of our own environment. There will be lots of opportunity for children to make their own sculptures using recycled materials, clay and natural materials from the school grounds.

PSHE and RE

Science

We will be learning about plants and the things that they need in order for it to survive. We will also investigate where different types of materials come from and begin to identify the different types of materials and their properties in recycling.

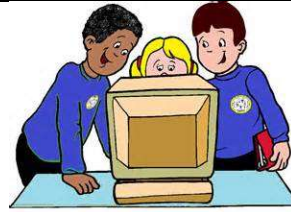

PE

This half term we will be develop throwing and catching in a range of activities.

Please make sure that your child has a full PE

learning a tuned instrument
and playing a simple tune
with rhythm.
