

<p style="text-align: center;"><b>English</b></p> <p>To begin the term, pupils will be introduced to various non-fiction genres such as biographies and persuasive adverts. Pupils will be using their active reading strategies in order to enable sound comprehension of the text types but also will be analysing the structure and grammar of them. This, in turn, will allow them to write their own persuasive adverts and biographies using their knowledge of our topic and significant people linked with it.</p>	<p style="text-align: center;"><b>Maths</b></p> <p>This term, the pupils will be learning to calculate perimeter and area of rectilinear shapes, followed by getting to grips with formal methods of multiplication and division. Pupils will be multiplying 2-digit numbers by 2-digit numbers as well as using the bus stop method to divide 4-digit numbers by a 1-digit number.</p>	<p style="text-align: center;"><b><u>Spring Term 2</u></b></p> <p style="text-align: center;"><b><u>Class – 5</u></b></p> <p style="text-align: center;"><b>Earth and Beyond</b></p> <p style="text-align: center;"><b>Class Book:</b></p>  <p style="text-align: center;">By Frank Cottral-Boyce</p>	<p style="text-align: center;"><b>Topic</b></p> <p>Our topic this term is <i>Earth and Beyond</i>.</p> <p>During this topic, pupils will learn about the poles of the Earth: the Arctic and Antarctic regions. Pupils will gain insight into what it is like to live in these places for both humans and animals. Pupils will be able to explore how glaciers are formed and the effect of climate change on this environment.</p>	<p style="text-align: center;"><b>Science</b></p> <p>As part of the <i>"beyond"</i>, pupils will learn about the planets in our Solar System. Pupils will also understand the phases of the Moon and how this, as well as how the Earth rotates, create day and night, months and seasons, as well as shadows.</p>
<p style="text-align: center;"><b>Art and D&amp;T</b></p> <p>Pupils will be working on their textile skills this term. They will be designing and making drawstring bags. Their bags will have a space themed design on the front.</p>	<p style="text-align: center;"><b>Music</b></p> <p>This term lessons link with the topic as pupils will get the opportunity to listen to Gustav Holst "The Planets" and discuss how the music has been inspired by each planet. Pupils will use these pieces of music to compose their own.</p>	<p style="text-align: center;"><b>Computing</b></p> <p>Pupils will be using scratch to create a spaced themed maze with various levels, items to be collected and sounds included. Pupils will be encouraged to be as creative as possible when creating their mazes and to debug their mazes when they find a problem.</p>	<p style="text-align: center;"><b>PSHE</b></p> <p>The pupils will be focusing on the topic of <i>Relationships</i>. This topic is about how to be a good friend and the characteristics that we need to have. Through this topic, we will also be discussing how to resolve problems when we fall out.</p>	<p style="text-align: center;"><b>French</b></p> <p>Pupils will be continuing to build upon their learning so far by learning to talk about transport and the weather.</p> <p style="text-align: center;"><b>PE</b></p> <p>Swimming will continue on Monday afternoons from 4<sup>th</sup> March to 1<sup>st</sup> April. The Primary Schools Dance Festivals on 12<sup>th</sup> March. Please do book tickets to see their fantastic effort and teamwork.</p>
<p style="text-align: center;"><b>RE</b></p> <p>Pupils will be thinking about <i>What would Jesus do?</i> They will be using stories from the Bible to get inspiration on how to deal with situations in their own lives.</p>
