

English

In our phonics lessons the children will continue to develop their knowledge of the sounds individual letters and groups of letters make. Phonic skills will be applied to read and write sentences.

The children will be listening to a rich range of stories about castles, dragons, goats, trolls and princesses. We will create and write our own dragon stories.

Maths

During maths lessons the children will be reading, writing and ordering numbers to 20 and beyond. They will be using the "tens" frames to find out what each digit represents in a two digit number. The children will be solving simple number problems, explaining their ideas and thinking of ways to record. The children will be sorting coins and counting in 2s, 10s and 5s.

Summer Term 1 Class - Reception Topic-Castles, Knights and Nursery Rhymes.

Class Book- There Was an Old Dragon Who Swallowed a Knight.

RE

During our Religious Education lessons the children will be finding out about the twelve disciples and why they were special to Jesus. The children will be finding out about the Hindu family celebration of Raksha Bandha, we will be making our own Rakhi bracelet.

The World

We will be observing the changes as our vegetable plants grow and change.

The children will have the opportunity to observe animals closely with a visit from a Mini Zoo to school. The children will identify how different animals are similar and how they are different.

Art and D&T

The children will have opportunities to design and make castles, dragons, kings and queens from different junk modelling materials. The children will also develop painting and drawing skills.

Music

The children will be learning songs about friendship and turn taking. They will use simple instruments to accompany the music and tap out the rhythm. We will be listening to different pieces of music and deciding which character the music might represent.

Computing

Using the 2Simple software the children will be drawing pictures of different characters, writing lists and sentences. The children will be learning to use the shift key and the return to create capital letters and a new line in their typing.

PSHE

During our circle time activities the children will explore our school values. The children will be thinking about friendships and how we can show we are a good friend. The children will be preparing for their move to Class One. There will be opportunities to visit the Year One classroom.

PE

During PE lessons the children will be learning to throw and catch bean bags and balls as part of a team. The children will be learning to work together as part of a small team, concentrating on the ball and anticipating what to do next. They will be learning to use bats and balls.
