**REGISTER OF BUSINESS INTERESTS**  
**STAFF AND GOVERNORS OF CALOW PRIMARY SCHOOL**

**Notes for Staff and Governors**

1. It is a requirement under **Section 2.9** of the **Derbyshire Scheme for Financing Schools** that the School maintain a **Register of Business Interests**.
2. **Section 2.9** requires the Register **'to be kept up to date with any notifications of changes through an annual review of entries.'**
3. **Section 2.9** also requires the Register **'to be available for inspection by governors, staff, parents and the Authority.'**
4. Individual governors have a statutory responsibility not to take part in the decision making process relating to any contract or agreement in which they have a personal interest (**Education (School Government) Regulations 1999**) Any such declaration must be minuted.
5. A teacher need not withdraw from a meeting because of a business interest which is no greater than that of other teachers at the School.
6. Other members of staff need not withdraw because of the business interest unless they have a personal interest which is greater than that of other members of staff who are not teachers.
7. The person who is a Governor of two schools is not required to withdraw from discussion of issues involving a conflict of interest between those schools.
8. If there is disagreement about whether a person is required to withdraw, it is for the other members of the Governing Body or committee to make the decision. This provision does not allow the withdrawal requirements to be waived by the Governors or other committee members.
9. The Register relates to all Governors and to any member of the teaching or non-teaching staff of the School whose roles and responsibilities may involve them acting for or on behalf of the School in any capacity which involves purchasing or the ordering of goods or services of any kind. Its purpose is to demonstrate that staff and Governors do not benefit personally from decisions made on behalf of the School.
10. Governors and relevant staff are asked therefore to complete and sign the declaration form overleaf, the details from which will be transferred to the Register. All completed declaration forms and the Register itself will be retained by the Head Teacher. The Governing Body may, however, pass a minute which allows the Clerk to Governors to maintain a separate Register of Business Interests for the Governing Body. Under such circumstances, both Registers must be available for inspection in accordance with Note 3 above.
