Dear Parents/Carers,

After February half term, we will be able to offer a school dinner to all children who stay for a full day in nursery, at the same price as children further up the school. The lunches will be brought down from the kitchen and children will eat together and be supervised in nursery. If you prefer, your child may continue to bring a packed lunch instead.

All school meals are cooked daily on the school premises and cost £2.10 per day. I have attached a copy of the term's menu to this letter. Children have the option of a hot meat meal, a hot vegetarian meal, a jacket potato or a sandwich. Parents and children can request their chosen meal as they come to nursery in the morning.

If you would like your child to have a school lunch it would be helpful for the kitchen to know the numbers in advance, although you may also decide on the day. If you know in advance that your child will be requiring a school lunch, please put the money in a labelled envelope and return to school. There will also be the option to pay on the day if you prefer, but please do not leave it later than that.

Kind regards,

Emma Hermiston
