Dear Parents and Carers,

Nursery Newsletter

This half term our topic is called 'What can I do with water?' A curriculum overview for this was sent home recently. We are learning about water and its uses and we are reading the books Rainbow Fish and Noah's Ark. We had a recent visit from a lifeguard who taught us about water safety and how to stay safe around water.

30 Hours of Nursery Each Week

From September we will be offering 30 hours of nursery education per week to eligible families. If you are interested in this or know somebody who might be, please put them in touch with us as we still have some places available. The nursery hours from September are as follows:

Morning Children (15 hours) – 9am-12 noon

Children staying all day (30 hours) - 9am – 3pm (Please send your child with a packed lunch)

Tapestry

Tapestry provides a two way communication between nursery and home. We love receiving messages and photographs showing things that your child has been doing at home. If you have the Tapestry app on your phone it is really simple to just add an observation with a picture. We then receive a notification that you have sent us something and we can then add it to your child's learning journey. If you would like to send us some photos of your child's sunflower growing it would be fantastic please.

Home Learning Packs

We have added more packs to the home learning basket. Please help yourself to a pack every Friday and sign it out on the sheet. Please can we ask that the packs are returned each week as we have quite a few outstanding.
