Calow Primary School is creating a cascading poppy display across the front on the school for the community to view. This will be in commemoration of the 100th anniversary of Armistice Day. The children will be asked to write a name of a family member on a poppy leaf. This person could have a military background through WWI, WWII or any other conflict. However the name of someone who has lived through one of these times would also be appropriate.

In order for the children to place these names onto a poppy leaf for the display could you please clearly write the name of the person you would like to put forward on the line below and return to school by **Wednesday 24th October**.

Name to be commemorated;
