

<p style="text-align: center;">English</p> <p>This term there will be a focus on scientific vocabulary throughout English. The children will be creating a narrative linked to inventions. They will then be creating information texts based on the knowledge they have created over the unit. The children will be focusing on their speech punctuation throughout the narrative work as well as continuing the work on their paragraph structure.</p>	<p style="text-align: center;">Maths</p> <p>In Maths, we will cover a range of different topics. We will begin by converting measures before estimating, comparing and calculating different measures. We will finish the term by exploring perimeter and area. The children will also be embedding their decimal work throughout the term.</p> <div style="text-align: center;">  </div>	<p style="text-align: center;">Summer Term 1 Class 4 Switch It Up!</p> <div style="text-align: center;">  </div> <p>Class Book: Frank Einstein and the Anti-Matter Motor (Jon Scieszka)</p> <div style="text-align: center;">  </div>	<p style="text-align: center;">Topic</p> <p>Our topic this term is 'Switch It Up!' The children will be focusing on their Science and D&T skills to create different electrical circuits using a range of components. They will focus on using a range of switches.</p> <p style="text-align: center;">RE</p> <p>In RE, we will be discussing the question 'Why is the Qu'ran so important for Muslims?'</p>	<p style="text-align: center;">Science</p> <p>This term, we will be focusing on electricity within Science. We will be investigating the flow of electrons through a circuit and how we can affect the flow. We will also be testing out materials to see if they are conductors or insulators.</p> <hr/> <p style="text-align: center;">French</p> <p>We are focusing on food and drink, this term, creating our own French café in the process!</p> <div style="text-align: center;">  </div>
<p style="text-align: center;">Art and D&T</p> <p>This term, we will be focusing on our electrical circuits. We will be designing circuits that use a range of different switches.</p>	<p style="text-align: center;">Music</p> <p>We are creating "Machine Music" this term, exploring rhythmic and melodic patterns and using keyboards to create sound effects for video games.</p>	<p style="text-align: center;">Computing</p> <p>Throughout the term the children will be continuing to use a range of technologies to record, collect and compose sounds linking to Science and Music.</p>	<p style="text-align: center;">PSHE</p> <p>This term, we will be learning about growing up and changing before exploring the questions 'What does it mean to be proud?'</p>	<p style="text-align: center;">PE</p> <p>Year four will begin their Orienteering unit this term as well as beginning their school swimming lessons.</p>
