

English

This half term in English we will be learning about how to open sentences in lots of different ways. We will be including lots of description of settings as well. We will continue to learn about adjectives in noun phrases and extend our already growing vocabulary.

In reading we will be continuing to practise Active Reading Strategies and pulling together all of our skills for reading.

Maths

In Mathematics we will learn how to tell the time to o'clock and half past the hour. We will be learning about the properties and names of 3d shapes and identifying why some roll! We will also be learning to understand position and direction and our lefts and rights. In Maths we will also be learning how to measure in exciting new ways.

Summer Term 2

Class – 1

Topic :

The Disgusting Sandwich

Class Book:

The Disgusting Sandwich

Tidy

I am a child of Books

Topic

During the term we will be studying the different parts of our local environment and how we can look after it. The children will be going on a walk in our local area and identifying the different features of Calow. The children will be learning how to make their own disgusting sandwich and how to describe it using lots of disgusting vocabulary. The children will also be preparing to move into Year 2 and transition will be this half term.

Science

We will be learning about plants and the things that they need in order for it to survive. We will also investigate where different types of materials come from and begin to identify the different types of materials and their properties in recycling.

Art and D&T

During the half term we will be painting our own badgers. We will use different brush strokes to create fur and learn to mix paint to make grey. The children will also learn how to make a sandwich and complete lots of reading of instructions to understand what they need to do.

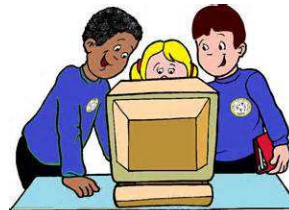

Music

This half term the children will be spending time learning a tuned instrument and playing a simple tune with rhythm.

Computing

Children will identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

PSHE and RE

This half term we will be learning about lots of different stories from the Bible. We will learn them and think about their meaning.

PE

This half term we will be develop or athletics skills ready for Sports Day. We will be learning to run and skip through hoops. We will also be practising balancing bean bags and balls.

Please make sure that your child has a full PE kit in school with their name in it.
PE is on a Monday and Friday.
