

# Continents and Oceans Knowledge Organiser

(part of the broader topic: *Ocean Giants*)

Year 2 - Autumn 1

## questions:

- Can you name the four countries and capital cities of the United Kingdom and locate them on a map?
- Can you name the oceans and continents of the world and locate them on a map?
- Can you find where you live on a map of the United Kingdom?

## Key Vocabulary

- United Kingdom
- country/countries
- city/cities
- continents
- oceans
- map

## Can you name the four countries and capital cities of United Kingdom and locate them on a map?

The four countries in the United Kingdom are: England, Northern Ireland, Scotland and Wales.

### United Kingdom

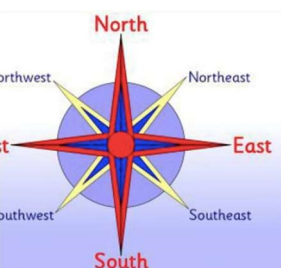

The capital cities of each country are:

- England - London
- Northern Ireland - Belfast
- Scotland - Edinburgh
- Wales - Cardiff

## Can you name the oceans and continents of the world and locate them on a map?

There are **seven continents** on Earth: Asia, Europe, Africa, North America, South America, Australia and Antarctica.

The **five oceans** are the Pacific Ocean, the Atlantic Ocean, the Indian Ocean, the Arctic Ocean and the Southern Ocean.

A compass is a navigational instrument which shows us directions (North, South, East and West).

Compass points are directions listed on a compass. There are 8 compass points on the picture.
