Dear Parents/ Carer,

Food intolerance and allergens

As part of the curriculum all children learn about the taste of food, the design and production. All children can taste food and cook or bake to help them learn vital life skills. As you will know, each time we cook we send a letter home to you requesting any specific food allergies or intolerance. All the food technology lessons are thoroughly risk assessed prior and this is part of that process.

For us to be able to allow children to cook at any time of the year, the form below identifies the 14 key allergens. Please highlight any of the allergens or intolerances that your child has we will then we make adjustments to your child's provision during food technology to enable them to take part. If your child develops an intolerance or allergy, please inform the school immediately.

Please return the slip below to school as soon as possible.

Yours sincerely,

Mrs T Cullington

Food intolerance and allergens.

Child's name:

(Please place a tick in all relevant boxes)

Gluten	Eggs	Milk	Treenuts	Soya	Peanuts	Lupin	
Crustaceans	Celery	Fish	Sulphites	Sesame	Mustard	Molluscs	
NO ALLERGIES							

Any other allergies or intolerances:
