

English

This half term in English we will be learning what a sentence is and how to write one. We will write labels, captions, lists and sentences that make sense. We will practise finger spaces, full stops and capital letters for the start and end of sentences. In handwriting we will check that we form lowercase letters and the numbers 0 – 9 correctly. After this we will be writing our own sentences to retell stories, recognise rhyme and write a verse for a poem.

Maths

In Mathematics, we will learn how to count accurately. We will learn to write numbers 0 – 20 and use these to begin to write number sentences. This term we will also be learning that = means the same as and conduct some investigation and problem solving activities for same as and addition.

Autumn 1 Class – 1

Welcome to Year 1. This year we will have lots of fun in our class and share lots of exciting learning opportunities. Mrs Freeman will be helping us to learn as well as Mrs O'Neill.

Topic:

Dinosaur Planet

Class Books

Tyrannosaurus Drip

Dinosaurs Love Underpants

First Facts: Dinosaurs

Topic

This half term the Dinosaurs are here!! We are going to learn about Dinosaurs as animals and whether they are carnivores, omnivores or herbivores. We will hunt for fossils and write sentences about what we find. There will be lots of opportunities for children to listen to a range of dinosaur books, both fiction and non – fiction.

Science

We will be learning about animals and what they eat, where they live and how they survive in the wild. We will investigate where different types of dinosaurs live and understand that these places are called habitats. We will also be learning about our own bodies – skeletons, senses and what our bodies can do!

Design Technology

During the half term we will be making our own habitats and using different techniques to bring them to life, this includes making a slider with an animal we have researched on. We will be making our own dinosaurs and follow the design, make and evaluate process.

Music

In music we will be making lots of sounds and rhythm with untuned percussion.

Computing

The computers will be used to help us use technology purposefully and create our own dinosaur pictures which we will learn to save safely. We will add labels to our work, lists of their skills and add captions for the reader to see.

PSHE & Religious Education

This half term we will learn a new core value each week. We will set our rules and work on building co – operation in our class. In RE we will learn about who God is to Christians.

PE

During this half term we are going to develop our balance and coordination using Real PE and fun games and activities. Please make sure that your child has a full PE kit in school with their name in it. PE is on a Monday afternoon.
