

English

This half term in English we will be learning what a sentence is and how to write one. We will write labels, captions, lists and sentences that make sense. We will practise finger spaces, full stops and capital letters for the start and end of sentences. In handwriting we will check that we form lowercase letters and the numbers 0 – 9 correctly. After this we will be writing our own sentences to retell stories, recognise rhyme and write instructions.

Maths

In Mathematics, we will learn how to count accurately. We will learn to write numbers 0 – 20 and use these to begin to write number sentences. This half term we will also be learning how to compare quantities and objects, conducting some investigation and problem solving activities around measures and numbers.

Autumn 1 Class – 1

Welcome to Year 1. This year we will have lots of fun in our class and share lots of exciting learning opportunities. Mrs Freeman will be working with the children and helping us to learn.

Class Book: The Disgusting Sandwich

Topic

During the term we will be studying the different parts of our local environment and how we can look after it. The children will be going on a walk in our local area and identifying the different features of Calow. The children will be learning how to make their own disgusting sandwich and how to describe it using lots of disgusting vocabulary.

Science

We will be learning about our own bodies – our eyes, skeletons, senses and we will go on a listening walk and conduct investigations into what our bodies and senses can do!

Art and D&T

During the half term we will be painting our own badgers. We will use different brush strokes to create fur and learn to mix paint to make grey. The children will also learn how to make a sandwich and complete lots of reading of instructions to understand what they need to do.

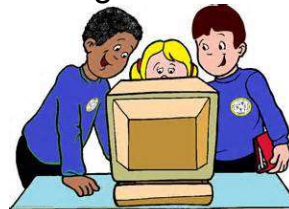

Music

In music we will be making lots of sounds and rhythm with untuned percussion.

Computing

Children will identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

PSHE & Religious Education

This half term we will learn about the conduct curriculum and how to behave in school. We will work on building cooperation in our class. In RE we will learn about who God is to Christians.

PE

During this half term we are going to develop our balance and coordination using Real PE and fun games and activities. Please make sure that your child has a full PE kit in school with their name in it. PE is on a Friday afternoon.
