North Road Calow Chesterfield Derbyshire S44 5BD

Headteacher: Mr D. Sumner

Thursday, 10<sup>th</sup> January 2019

Dear Parents/Carers,

I am pleased to inform you of an exciting musical project involving all our Year 1 and 2 children this term: "Sing2gether", organised by the Derbyshire Music Partnership. Over the next three weeks, our children will learn 5 new songs, under the expert guidance of Debbie Castles, a specialist professional singing teacher, supported by our own excellent (and musically talented) teachers and teaching assistants. This project will teach new musical skills and challenge our pupils to sing in several parts.

The project will culminate in a performance here, at school, on Tuesday 12<sup>th</sup> February, at 11am, to which family members are invited. We are combining with Temple Normanton Primary School, so need to restrict audience members to two people per family please.

We're looking forward to this immensely. We will make an audio recording, so that anyone who does not make it to the performance will still be able to hear it afterwards.

Kind regards,

Daniel Sumner  
Headteacher
