

English

This term we will be reading a wide range of topic related books including *The Stone Age Boy*, *How to Wash a Woolly Mammoth*, *Dave's Cave*, *Cave Baby* and *DK Find Out Stone Age* (a non-fiction book).

Our writing will include instructions on how to wash stone age animals, letters about important historical artefacts and historical narratives set in the Stone Age.

We will also be working towards our personal writing targets and further developing our phonics skills.

Maths

This term we will continue to focus on number. We will be learning formal written methods for addition and subtraction. To further develop our calculation skills, we will be applying our skills to a range of reasoning and problem-solving tasks.

Throughout the term we will be practicing our mental multiplication skills through fast maths. This will focus on the multiplication of one-digit numbers.

Remember to keep using Mathematics and Times Table Rock Stars. This is a fun filled website which will help you to learn your times tables.

Autumn Term 2

Class 3

LET'S ROCK!

Class Books:

How to Wash a Woolly Mammoth

The Stone Age Boy

DK Find Out Stone Age

The Pebble in my Pocket

A Rock is Lively

Topic

Our topic this term is based on the study of the Stone, Bronze and Iron Age. The children will learn about key changes in Britain during this time in history.

We will be learning about late Neolithic hunter-gatherers and early farmers. This will include a study of the settlement of Skara Brae.

During the study of the Bronze Age, the children will explore religion, technology and travel, including learning about Stonehenge.

Knowledge of the Iron Age will include hill forts: tribal kingdoms, farming, art and culture.

Science

Science rocks! This term we will be learning all about rocks in science.

We will compare and group different rocks based on appearance and physical properties, investigate how fossils are formed and learn about how soils are made from rocks and organic matter.

Art and DT

Our DT (to be completed later in the term) will link to our celebrations of festivals. The children will be designing, making and evaluating Christmas Tree decorations.

Please bring in a named old t-shirt for painting tasks we will also be completing during this term.

Music

Music will link to our topic, as we create rhythms and textures using percussion instruments and continue to identify and explore other instruments of the orchestra.

PSHE

PSHE will focus on difference and diversity. During this term we will also celebrate national antibullying week.

French

In French, we will build on basic greetings, moving on to physical descriptions of ourselves and others.

PE

We will be focusing on teamwork in Real PE and we will continue with our tennis lessons.

Please remember to bring extra layers for PE such as hoodies and joggers as we will continue to do PE outdoors.

RE

RE will focus on the big questions What can we learn from religions about deciding what is right and wrong? As well as What are the deeper meanings of festivals? We will study a range of festivals across different religions and look at the importance of each celebration.
