

<p style="text-align: center;">English</p> <p>To begin the term, pupils will be focusing on their non-fiction writing for a non-chronological report about Greece. They will pick apart model texts and learn about the typical grammar and structural features in the text type.</p> <p>In reading, we will be continuing to extend and develop their understanding of new vocabulary in a range of text types as well as build upon their inference skills using our active reading strategies. Reading at home and recording this in their records three times will get pupils a house point.</p>	<p style="text-align: center;">Maths</p> <p>This term, pupils will be continuing their work on fractions through multiplying a fraction (unit and mixed number) by an integer but also a fraction by a fraction. Then finding fractions of amounts. This will feed into their work on decimals which will be focused on recognising the place value of numbers up to 3 decimal places, including ordering and comparing numbers; recognising decimals that are equivalent to fractions; rounding decimals; lastly, linking fractions and decimals to percentages and being able to convert between the three.</p>	<p>Summer Term 1</p> <p><u>Class – 5</u></p> <p>It's All Greek To Me</p> <p>Class Book:</p>  <p>Maz Evans</p>	<p style="text-align: center;">Topic</p> <p>Our topic this term is <i>It's All Greek To Me</i>.</p> <p>We will be beginning our Greek topic this term looking at modern day Greece and it's geography. We will be locating the islands and seas of Greece as well as finding out about the human and physical geography of the country. Pupils will also analyse the environmental impact on the country and its trade. We will end the term by comparing and contrasting Greece to the UK.</p>	<p style="text-align: center;">Science</p> <p>We will beginning our forces topic this term and will start by investigating gravity and introduce Isaac Newton. We will also be experimenting with air resistance and friction.</p> <hr/> <p style="text-align: center;">French</p> <p>Pupils will be recapping the weather and learning the vocabulary for wild animals.</p>
<p style="text-align: center;">Art and D&T</p> <p>To begin with, pupils will research Greek mosaics and plan their own design. They will then create their mosaic out of squares of coloured paper using their collage skills. Finally, pupils will evaluate their final creations and the process.</p>	<p style="text-align: center;">Music</p>	<p style="text-align: center;">Computing</p>	<p style="text-align: center;">PSHE</p> <p>We will be continuing to cover <i>Drugs Education</i>. This will highlight the difference between prescribed medicines and other drugs. We will discuss the effects of smoking and drinking and the safety aspects around medications.</p>	<p style="text-align: center;">PE</p> <p>We will be continuing to develop our hockey skills in dedicated skills sessions but with our second PE session we will now be able to apply these into various game situations.</p>
