

## English

The children will be writing descriptions of settings and characters linked with the topic. They will also write some non-chronological reports about animals as well as persuasive and discussion texts. Spelling, punctuation and grammar work will focus on different word classes and how different phrases and clauses can be used within their writing. A range of homophones will also be looked at.

## Maths

There will be some initial work on place value then children will move onto ensuring that they can confidently apply addition and subtraction skills to a range of mathematics problems. There will also be some work on calculating missing angles.

## Autumn Term 1

### Class - 6

#### Topic Name:

## Amazing Animals, Beastly Beasts and Creative Creatures

#### Class Book:

## The Last Wild by Piers Torday

## Topic

This term's topic is Geography and Science based. The children will look at the different climates and biomes around the world and how living things are adapted to different places. They will then look at global issues that affect the different biomes and how these can be resolved.

## Science

We will begin our 'Classifying Creatures' topic by looking at how living things are classified and the role of Carl Linnaeus in this. Branching databases will then be used and created to identify living things.

### R.E.

The questions that we will be addressing are:  
How and why do Christians follow Jesus?  
and What kind of King is Jesus?

<p style="text-align: center;"><b>Art and D&amp;T</b></p> <p>Art work will link with our work on biomes and animals.</p> <p>Henri Rousseau's artwork will be looked at and children will improve their drawing, sketching and painting skills to recreate a picture in the style of Henri Rousseau.</p>	<p style="text-align: center;"><b>Computing</b></p> <p>Computing this year will begin with improving skills needed for Internet research, which will be applied when finding out information on each topic this year. There will also be an emphasis on Cybersafety so that children are equipped with the skills to keep themselves safe online.</p>	<p style="text-align: center;"><b>Music</b></p> <p>The children will focus on performing together during this term. This will involve singing and using percussion instruments to produce different rhythms.</p> 	<p style="text-align: center;"><b>FRENCH</b></p> <p>The children will use vocabulary relating to wild animals.</p> <hr/> <p style="text-align: center;"><b>PE</b></p> <p>The focus this term will be on invasion games – especially Tag Rugby. Children will practise their throwing and catching skills as well as tactics within team games.</p>	<p style="text-align: center;"><b>PSHE</b></p> <p>Discussions will be around why we have rules and local democracy.</p> <p>The children will also be trained as Playground Pals and begin their roles supporting the younger children in school.</p>
