

<p style="text-align: center;">English</p> <p>This term we will be reading a wide range of topic related books including <i>The Stone Age Boy</i>, <i>How to Wash a Woolly Mammoth</i>, <i>Dave's Cave</i>, <i>Cave Baby</i> and <i>DK Find Out Stone Age</i> (a non-fiction book).</p> <p>Our writing will include instructions on how to wash stone age animals, letters about important historical artefacts and historical narratives set in the Stone Age.</p> <p>Through our grammar lessons, we will develop our knowledge of speech punctuation (including the wider use of inverted commas).</p> 	<p style="text-align: center;">Maths</p> <p>This term we will continue to focus on number. We will be learning formal written methods for addition and subtraction. To further develop our calculation skills, we will be applying our skills to a range of reasoning and problem-solving tasks.</p> <p>Throughout the term we will be practicing our mental multiplication skills through fast maths. This will focus on the multiplication of one-digit numbers.</p>  <p>We now have our Times Table Rock Stars usernames and passwords! This is a fun filled website which will help with your times table practice. Make sure you practice weekly.</p>	<p style="text-align: center;">Autumn Term 2 Class 3</p> <p style="text-align: center;">LET'S ROCK!</p>  <p style="text-align: center;">Class Books: Terry Deary - Stone Age Tales</p> <p style="text-align: center;"><i>How to Wash a Woolly Mammoth</i></p> <p style="text-align: center;"><i>The Stone Age Boy</i></p> <p style="text-align: center;"><i>DK Find Out Stone Age</i></p> <p style="text-align: center;"><i>The Pebble in my Pocket</i></p> <p style="text-align: center;"><i>A Rock is Lively</i></p>	<p style="text-align: center;">Topic</p> <p>Our topic this term is based on the study of the Stone, Bronze and Iron Age. The children will learn about key changes in Britain during this time in history.</p> <p>We will be learning about late Neolithic hunter-gatherers and early farmers. This will include a study of the settlement of Skara Brae.</p> <p>During the study of the Bronze Age, the children will explore religion, technology and travel, including learning about Stonehenge.</p> <p>Knowledge of the Iron Age will include hill forts: tribal kingdoms, farming, art and culture.</p> 	<p style="text-align: center;">Science</p> <p>Science rocks! This term we will be learning all about rocks in science.</p> <p>We will compare and group different rocks based on appearance and physical properties, investigate how fossils are formed and learn about how soils are made from rocks and organic matter.</p>  <p style="text-align: center;">RE</p> <p>RE will focus on the big question... What are the deeper meanings of festivals? We will study a range of festivals across different religions and look at the importance of each celebration.</p>
<p style="text-align: center;">Art and DT</p> <p>Our DT (to be completed later in the term) will link to our celebrations of festivals. The children will be designing, making and evaluating Christmas Tree decorations.</p>	<p style="text-align: center;">Music</p> <p>Music will link to our topic, as we create rhythms and textures using percussion instruments and continue to identify and explore other instruments of the orchestra.</p>	<p style="text-align: center;">Computing</p> <p>In computing the children will develop their research skills, finding out about the Stone, Bronze and Iron Age. They will learn how to apply their e-safety work from last term.</p>	<p style="text-align: center;">PSHE</p> <p>PSHE will focus on difference and diversity.</p> <p>During this term we will also celebrate national antibullying week. The theme this year is 'Change Starts with Us'.</p>	<p style="text-align: center;">French</p> <p>In French, we will build on basic greetings, moving on to physical descriptions of ourselves and others.</p> <p style="text-align: center;">PE</p> <p>Gymnastics will be the focus of our PE lessons this term. We will also continue with Real PE.</p>
