

English

The children will begin the term focusing on narratives and in particular their description of setting, characters and plot. They will then continue to focus on speech before looking at how they can extend and improve their sentences. The children will be exploring the use of apostrophes in detail and applying these to their work. The children will continue their daily reading session with the initial focus being inference.

Maths

In Maths, we will cover a range of different topics. We will begin by exploring fractions with a key focus on our times tables and related division facts to support us. We will then move onto decimals to complete our Maths this term.

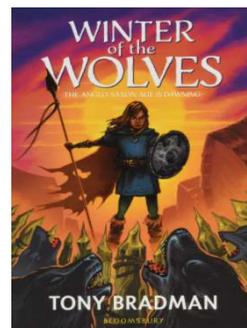

Spring Term 2

Class 4 Invaders

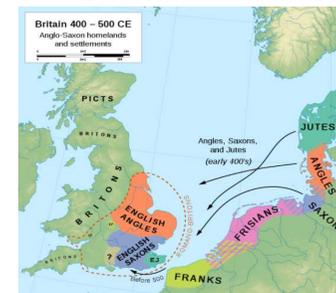

Class Book:

Winter of the Wolves
Tony Bradman

Topic

Our Topic this term is 'Invaders'. We will be learning about the Anglo-Saxons. The children will be able to link what they know about the Romans leaving Britain as to why the Anglo-Saxons took their chance to invade.

RE

In RE, we will be discussing the Pentecost as we lead into the Easter period.

Science

This term, we will be focusing on sound within Science. We will be investigating how sound is made focusing on vibrations and how they travel to the ear. Also, we will be finding patterns between pitch and sound and evaluating the effect distance has on sound.

French

This term the children will be learning all about the different food and drinks in French.

Art

This term, we will be focusing on our printing skills. This will link the well-known William Morris. The children will create their own prints.

Music

In music, we will focus on pitch, learning about high and low notes, large and small intervals, and scales. We will use glockenspiels to compose and perform simple melodies.

Computing

Throughout the term the children will be using a range of technologies to record, collect and compose sounds linking to Science and Music.

PSHE

The children will be focusing on staying and being healthy. They will also look at what it means to be kind to themselves.

PE

Year 4 will continue with their Real PE where they will be working on the social cog. They will also continue their Cricket unit.
